

House File 94

H-1034

1 Amend House File 94 as follows:

2 1. Page 3, before line 28 by inserting:

3 <2A. The searchable internet site developed
4 pursuant to this section shall allow the public at no
5 cost to search by name for businesses receiving income
6 tax refunds. The department of revenue shall provide
7 the information described in subsection 2 and such
8 additional information as necessary to the department
9 of management. In the case of businesses electing
10 to receive pass-through treatment for purposes of
11 taxation, the department of revenue shall aggregate
12 the refund data and information by business name and
13 transmit it to the department of management without
14 disclosing the identity of individual taxpayers.
15 For purposes of this subsection, "*business*" does not
16 include sole proprietorships.>

17 2. Page 5, line 8, by striking <Individual tax
18 levies> and inserting <In the case of property
19 taxes, the individual components of the applicable
20 consolidated levy>
